# Levels and the Discipline Policy

The Discipline Policy has a system of Levels which allows students to:

- be acknowledged for personal success and positive achievements in the school community.
- recognise the consequences of inappropriate behaviour and learn the importance of self-discipline.

In our Discipline policy there are 5 levels:

## Levels 1 - 4

- describes the actions taken with those students who are choosing to ignore the rights of others or neglect their own responsibilities.

## Level 5

- all students are placed on **Level 5** when they first enrol at Pennant Hills High School.
- students are encouraged to discuss their progress and achievements with their class teachers, Head Teachers and Year Adviser when necessary.

## ADDITIONAL NOTES

A student is placed on a Level from 1 - 4 for a certain number of days of school attendance, according to the specific Level.

During this time the student discusses appropriate changes to his / her behaviour with the Principal, Deputy Principal, Head Teacher, Year Adviser, School Counsellor or other welfare personnel, and may be required to complete certain self-discipline activities.

Students can move forwards and backwards through the Levels.

Entry to a particular Level will depend on the seriousness of the misbehaviour. The Principal, Deputy Principals or Welfare Team may accelerate the movement of a student through the Levels.

If placed on Level 1, 2, 3 or 4, a student can be promoted to a higher level by:

- behaving in a responsible and acceptable manner
- acting on the advice of the Principal, Deputy Principal, Head Teacher, Year Adviser, Counsellor and other staff members
- completing the self-discipline tasks required at the placement Level

Students will not carry their Level from one calendar year to the next.

# SOME OTHER IMPORTANT ISSUES AFFECTING STUDENT DISCIPLINE

## Attending School and Being on Time

Pennant Hills High School has a very positive view about the welfare of our students. We emphasise the fact that we care about our students' education and will support their needs as students and young adults.

The school believes very strongly that being a regular attender and being punctual to classes are very important in achieving success in school. This is part of self-discipline for life.

The teachers at Pennant Hills High School are very careful to support regular attendance. The school staff will ensure there is accurate roll marking.

Parents are asked to assist with the legal requirement of providing details about reasons for an absence. Notes explaining an absence must be signed by a parent or guardian. Notes are also to be written for late arrival or any other request about attendance. Appointments with doctors, dentist, etc should be made outside learning time wherever possible so the student's schooling is not disrupted.

In cases of extended unexplained absences the school will contact the home to find out reasons for such a long break in the student's schooling.

If a student is to be absent for an extended period, the Year Adviser should be contacted so that an alternative program of work can be arranged.

Persistent unsatisfactorily explained or unexplained lateness to school and / or truancy may lead to a Level placement in accordance with the School Discipline Policy.

Parents / Caregivers will be contacted immediately the school notices any serious problem with attendance. The Home-School Liaison Officer might be requested to investigate and visit the home where attendance is a problem for the student.

## Classroom Procedures

For **ALL** classes, students will be required to line up in two neat, orderly lines and await the arrival of their teacher before forwarding quietly into the classroom.

They will then quietly get out their required books / equipment and listen for the teacher's instructions.

The bell at the end of a period is a signal **for the teacher**. Students do not pack up their work or begin standing until the teacher has requested them to do so.

Students are then to put their chair back under their desk, leaving the classroom in a tidy state and move quietly to their next class.
