## ENROLMENT POLICY AND PROCEDURES FOR ENROLMENT OF NEW STUDENTS Updated 2025

### Relevant Department of Education Policy Documents:

Enrolment of Students in NSW Government Schools: Policy update, January 2025.  
**General Enrolment Procedures:** Please refer to the link for policy information in Enrolments of Students at : <http://education.nsw.gov.au/policy-library>

### **RATIONALE**

Pennant Hills High School's local area is determined by the Department of Education (DoE). In accordance with the Education Reform Act 1990, this school will seek to ensure that every eligible local child will have a place at Pennant Hills High School (PHHS) if he or she chooses to enrol here.

### **VERIFICATION OF LOCAL RESIDENCY**

For a student to be enrolled as a local placement, parents/caregivers will be asked to provide 100 points of residential identification as per the attached sheet which includes proof of residency that they live in the local area and that the child being enrolled also lives in the local area.

### **NON-LOCAL ENROLMENTS**

The criteria for acceptance of non-local enrolments include the availability of appropriate staff and permanent accommodation.

### **ACCOMMODATION**

At the commencement of 2025 PHHS had **no** temporary classrooms. The DoE's Policy states that: *"No additional accommodation (permanent or demountable) will be provided to cater for increased enrolments resulting from non-local placements"*.

### **EXAMPLE – depending on local placement members**

ENROLMENT CEILINGS IN RELATION TO THE ANTICIPATED ENROLMENT RETURN		
YEAR	CEILING	BUFFER
Year 7 (6 classes)	180	10
Year 8 (7 classes)	210	10
Year 9 (7 classes)	210	10
Year 10 (7 classes)	210	10

### **ENROLMENT PANEL Year 6 to Year 7, Non-local applications**

PHHS has an *Enrolment Panel* consisting of the Deputy Principal responsible for Year 6 into Year 7 Transition, the Head Teacher Creative and Performing Arts (CAPA) and a parent representative. This panel is responsible for implementing the criteria for non-local placement, consistent with DoE guidelines. The panel is responsible for implementing the PHHS enrolment policy through a collaborative process of reviewing all applications for non-local placement, ranking applications and establishing a waiting list.

## **CRITERIA FOR NON-LOCAL PLACEMENT**

Commitment to learning is critical in any educational context. It is the decision of the *Enrolment Panel* that if accommodation and staff are available, the criteria for non-local enrolment in priority order will be:

- ❖ siblings currently attending PHHS;
- ❖ attendance at partner primary schools in local area;
- ❖ compassionate circumstances;
- ❖ curriculum offerings of PHHS to suit the special aptitudes of students;
- ❖ safety and supervision of student before and after school;
- ❖ proximity and access to the school

## **WAITING LIST**

A waiting list will be established for non-local students seeking placement in Year 7. This list will be current for 1 year.

## **Non local placement Year 8 – 12 (inclusive)**

On receipt of the application for a non-local placement the *Enrolment Panel* will:

- ❖ review the application in relation to the criteria for non-local enrolment;
- ❖ consult with the Deputy Principal in relation to the school's curriculum and vacancies available;
- ❖ based on all available information and with regard to available space/s in classes, the *Enrolment Panel* will recommend an interview or decline the application; and
- ❖ successful applicants will be interviewed for possible placement by the Principal or Deputy Principal.

## **Appeals**

Any appeal regarding a decision made by the *Enrolment Panel* will be administered by the Principal.

**PROCEDURES FOR  
ENROLMENT OF NEW STUDENTS  
(Other than Year 6 to 7)**

**New Enrolments**

Enrolling new students needs to be an efficient, friendly procedure so that students feel welcome and settled.

1. All new students will meet with the Deputy Principal who will consider the application to enrol.
2. The Principal must request student background information from previous government schools before giving approval to enrol (Memo DN/06/00168).
3. Where applicable, the schools Learning Support Team will determine strategies to support and assist students on enrolment.
4. Up to date class lists for **all** subjects are maintained through Sentral and Edval by the Timetable team. In consultation with the Deputy Principal, they keep accurate numbers of students in all classes. The class size numbers are as follows:

Junior classes	30 students
All Senior classes	24 students
5. The Principal will allocate new students to elective classes based on spaces available in classes and the student's interests and abilities as indicated by reports from other schools and any other information that is available.
6. Year Advisers will meet new students in the foyer at 8.45am on their first day.
7. New students will have a "buddy" allocated organised by the Year Adviser, to show them around and help them adjust socially.
8. The Year Adviser will undertake a progress report for new students 5 weeks after enrolment to ensure students have settled into the school.
