

MUSIC

The Stage 6 Year 11 - 12 Music 2 and Music Extension Course is a practical and creative subject. It is designed for those students who like to be involved in all aspects of music making and who have a sound knowledge of music theory.

MUSIC 2

In the Preliminary and HSC Courses, students will study: the concepts of music through learning experiences in performance, composition, musicology and aural within the context of a range of styles, periods and genres.

Students study one Mandatory topic covering a range of content and one Additional Topic in each year of the course. In the Preliminary Course the Mandatory Topic is Music 1600 – 1900, in the HSC Course the Mandatory Topic is Music of the Last 25 Years (Australian focus).

In addition to core studies in performance, composition, musicology and aural, students nominate ONE elective study in Performance, Composition or Musicology. Students selecting Composition or Musicology electives will be required to compile a portfolio of work as part of the process of preparing a submitted work. All students will be required to develop a composition portfolio for the core composition.

HSC Music Extension Course (available in Year 12 only)

The HSC Music Extension Course builds on Music 2 and assumes a high level of music literacy and aural ability as well as advanced performance or composition or musicology skills. Students will specialise in Performance or Composition or Musicology and will follow an individual program of study which will be negotiated between the teacher and student. Students selecting Composition or Musicology as their area of specialisation will be required to compile a portfolio of work as part of the process of preparing a submitted work.

Wishing you all the best with your subject selection.
