

# Student Access

## 1. Expand the 'Learning' tab

The screenshot shows the 'student portal' interface. At the top, it says 'Logged in as Four Test' and 'Log out'. Below the header, there are links for 'Change colours', 'Add link list', and 'Change password'. The main content area includes a search bar with 'Google' and 'Tale' suggestions, a 'My Calendar' widget for December 2014, and a 'My Link List' section with a form to 'Add a link'. A red arrow points to the '+' icon in the 'Learning' tab at the bottom right of the page.
