	Wednesday	20 November	Peer Support Training
	Wednesday	20 November	Years 10 and 11 Drama Excursion
	Thursday	21 November	HSC <i>All My Own Work</i> for Year 10
	Friday	22 November	Peer Support Training

PRINCIPAL'S REPORT

We are nearing the end of another very busy term during which our students and staff have excelled in a range of achievements.

At last week's school assembly, 22 students graduated from the NSW State Emergency Service (SES) Cadet program, which has run at our school since we became one of the inaugural participant schools in NSW in 2009. Among the official guests was Mr Tony Pinelli, Acting Region Controller, Sydney Northern Region, who was joined by other SES officials, our new Director, Public Schools, Dural, Mr Tim McCallum and parents and friends of the SES cadets. We continue to be very fortunate to have Mrs Lee Lowe, one of our school SASS members, who holds a senior position in Hornsby SES, to oversee the program at our school and to be one of the lead trainers. Following a celebratory morning tea, our guests took the opportunity to view the Year 12 HSC Industrial Technology major projects before departing.

Year 12 students have now completed the very important Trial HSC Examinations, which are designed to provide practice in examination techniques, and to show students what they still need to learn before the HSC Examinations in October. It is important that all Year 12 students continue to keep the pressures associated with their final year in check, and seek support from family, friends and the school if needed. Many students are breathing a sigh of relief having finalised major projects for the HSC. They can now concentrate on the important study and revision tasks, content in the knowledge that they have already completed a part of their HSC.

Congratulations to all students who worked so hard on major projects and to their teachers who have given willingly of their time and expertise to assist them. I also wish to express my sincere thanks to Mr Daniel Pugliese, Year 12 Adviser, for the support he has provided to these students during their years at Pennant Hills High School.

I have received a letter from the President of the Parramatta and District Law Society, advising me that a former student of Pennant Hills High School, Hilary Hannam (nee Howard), who graduated in 1977, recently received a commission from the Governor General of Australia appointing her as a Judge of the Family Court of Australia. Ms Hannam was appointed as Chief Magistrate of the Northern Territory of Australia in 2010. She will sit

at the Parramatta Registry of that Court. At the ceremony, which was attended by Justice Hannam's uncle, former Prime Minister of Australia, the Honourable John Howard, guests heard a recount of parts of Justice Hannam's personal and prior professional life. This account included reference to Her Honour having attended West Pennant Hills Primary School and Pennant Hills High School.

Last Friday, the induction of our student leaders for 2014 took place. This is always one of the most important days in our school calendar, as we farewell our outgoing leaders and their executive, and formally induct and welcome the leadership team for the following year. I wish to acknowledge and thank our wonderful senior student executive for 2013 and all of the other student leaders for their many significant contributions to our school during 2013. Mikaila and Joshua have been absolutely outstanding School Captains and role models for others. They have been very ably supported by their Vice Captains, Lucie and Alasdair and Senior Prefects, Nicola and Callum. Sincere thanks to all of these fine young leaders for their dedication to our school.

I welcome the incoming leadership team, whom we have featured later in this edition of *Jumbunna*. At the induction, I pledged the support of students and staff to our newly elected student leaders.

Finally, on behalf of our school community, I wish all of our Year 12 students every success for the HSC examinations and for their lives after school. They have made a huge contribution to our school over the last six years and we will greatly miss them.

Geoff Wing
Principal

AFL PREMIERS

This year's winter grade boys Australian Rules Football grand final was played out between Pennant Hills High School and Cherrybrook Technology High School, with Pennant Hills High School finishing victorious after a hard fought and toughly contested match. The team was composed of a good mix of experienced players and players new to the game. All played with enthusiasm and developed a better understanding and appreciation for the great game of Australian Rules Football. Well done to all players, coaches and umpires.

Phil Scandizzo
AFL Coordinator

CONGRATULATIONS INCOMING STUDENT EXECUTIVE

Congratulations to the following students who were inducted as members of the student executive at the Prefect Induction Ceremony on Friday 30 August 2013. Held in the school's MPC, the ceremony provided opportunity to thank the outgoing executive and to recognise our student leaders for 2014.

LIBRARY NEWS

Farewell Year 12, 2013

The library staff wish you all the best for the HSC and your future years. Many of you have been consistent productive workers in the library over the past 12 months and it has been a pleasure to have known and helped you. The library and senior study will be available for you throughout *Stuvac* and the exam period except when an exam has been scheduled in the area, so we look forward to seeing you throughout this period.

Board of Studies Exam Workbooks for the 2012 HSC have just arrived. They contain questions, marking guidelines, marker feedback and top scoring student answers from the 2012 HSC examinations. Subjects available are: Biology; Business Studies; Chemistry; Economics; Legal Studies; English (Standard) and English (Advanced) Paper 1 – Area of Study; English (Standard) and English (Advanced) Paper 2 – Modules; Physics; Studies of Religion; English Extension 1 (USB drive only) and PDHPE (USB drive only). **These are available on three-day loan only.**

Remember that overdue book fines still apply over this time, so make sure you return and renew books on time to avoid fine payments when it comes to sign out day.

Year 8: Trip to a Planet

Congratulations to those students who have paid particular attention to my advice on how to take valid research notes and have fully acknowledged websites and other sources of information for your research. I hope you all enjoy producing your presentations. Just a reminder that [Neil's Tool Box](#) is an excellent reference generator to use when formulating future bibliographies.

Particular merit goes to the following students.

8SG: Jessica, Chloe, Gabrielle, Aimee, Rodrigo, Ria and Laura-Ann.

8ST: Gloria and Lauren.

8SE: Chontelle, Max, Tom, Isabella and Tiana.

8SS: Izak

Year 7 Geography

7R and 7B have just commenced their Geography research in the library on an Australian World Heritage Area. We look forward to a productive learning experience. Particular emphasis will be placed on information skills such as brainstorming using online mind maps, valid research notes using keywords and bullet points and reference list (bibliography) formation using online reference generators such as [Neil's Tool Box](#). I am looking forward to seeing original final products with no evidence of plagiarism.

All groups have been learning to comply with copyright by using **Creative Commons** images and **Google Advanced Search: Usage rights** facility. Get into the habit for all research tasks.

Parents, please encourage your child to obtain **copyright free images** for tasks and to **avoid plagiarising** by accessing **PHHS Intranet → Moodle → Library → Researching for all Students** when completing research tasks.

New Reads

See [The Children's Book Council of Australia website](#) for the 2013 winners, honour books and shortlisted titles. Many are available at Pennant Hills High School Library. See **PHHS Intranet → Library Enquiry** link for availability of these, plus the new titles below.

Sue Whitlock
Teacher—Librarian

ALL MY OWN WORK

All Year 10 students in NSW are required to complete the **HSC: All My Own Work** program **BEFORE** they can be enrolled into Year 11. It has been developed as part of the NSW Government's *Respect and Responsibility* strategy and is an integral part of all HSC course requirements. The program is designed to help HSC students to become aware of good scholarship principles and practices. This includes understanding and valuing ethical practices when locating and using information as part of their HSC studies.

Pennant Hills High School Year 10 students are required to complete the program, either in designated classes at school or as a homework assignment, during **Week 7 of Term 4 2013 on 18, 19 and 21 November**. There are five modules to read and five quizzes to complete. A student must achieve **not less than 80%** on each quiz to be deemed to have a clear understanding of their rights and responsibilities in regard to all future assessment tasks. We ask for your support in ensuring that your son or daughter is at school on the above days. If you know that they will not be present, they must see Mrs Whitlock as soon as possible.

Sue Whitlock
Teacher—Librarian

Do we have your correct email address?

This semester, academic reports for students in Years 7—10 will be emailed to parents and caregivers. If you have changed your email address since providing it to the school, please contact the office to update your details, or change them through the Parent Portal.

MATHEMATICS FACULTY AWARDS

Congratulations to the following students who were presented with Mathematics Faculty awards during the past week.

IMPORTANT MEETING FOR YEAR 11 STUDENTS

Period 1, Monday 8 October 2013

Please note that attendance at this meeting is compulsory. All students are to attend, whether they have a study period or a timetabled class at this time.

Essential information about entry to Year 12 will be given at this meeting. Please come to the Library Quad at 8.55am.

SCIENCE REPORT

Science and Engineering Challenge

Year 9 and Year 10 Gifted and Talented students (GATs) took part in the Macquarie University Science and Engineering Challenge where they solved scientific problems and worked through projects, competing with students from other schools. This provided our students with a marvelous opportunity to test their skills against other students with a similar interest and aptitude for Science. Pennant Hills High School students achieved second place in the region overall and are to be congratulated on their outstanding performance amongst so many capable young 'scientific minds'. Well done.

Science Competition

Students across all Year groups participated in the Science Competition which further reinforces the interest students at Pennant Hills High School have in this subject. The results were outstanding and included 14% High Distinctions, 18% Distinctions and 23% Credits. Well done, all who contributed to these great results.

National Science Week

An annual celebration of Science in Australia, National Science Week provides an opportunity to join together to enjoy and explore the wonders and benefits of Science. This year, Pennant Hills High School celebrated National Science Week by organising a Lego Fair (Brickfest) and an Animal Exhibition which involved Year 7 and 8 students working with students from local partner primary schools. These events were very successful in showcasing our students' Science work, promoting Science and raising the profile of Science in the community through increased student motivation and participation.

ESSA Testing

Year 8 students will undertake the statewide online Essential Secondary Science Assessment (ESSA) test on two separate days in Term 4.

An online readiness test is required to ensure students can log onto the ESSA website and complete the practice test which will be held in the computer rooms 309 and 310 on Monday 14 October 2013. Students will need to bring their books and equipment for classes as usual, headphones (if possible) for the tests and also check their DEC portal login prior to the tests. The ESSA online readiness test and log in will require 80 minutes for completion. Students will be cycled through the computer rooms in alphabetical order during the course of the day.

The actual online ESSA test will then be held on Monday 11 November 2013. Both online tests will take place in the computer rooms 309 and 310 based on the alphabetical order of student surnames beginning with letters as outlined below.

Period 1

All—Bur (309)
Cam—Dur (310)

Period 2

Fer—Hin (309)
Hob—Kon (310)

Period 3

Lec—McK (309)
Mer—Pul (310)

Period 4

Riz—Sut (309)
Tay—Woo (310)

Phil Scandizzo

Head Teacher Science

YOUTH LEADERSHIP DAY

Two members of the Pennant Hills High School Student Representative Council (SRC) participated in the annual Community Relations Commission Leadership Day held at Parramatta Novotel in early August. This day provided young people with an opportunity to develop a greater understanding of social and multicultural issues in conversation with their peers from across the NSW education system and community youth sector.

During various sessions, participants heard from many talented young ambassadors and participated in a range of workshops, each led by a different speaker. With topics including leadership, the arts, culture and media, allowing representatives to contribute and gain valuable information about current youth and multicultural standings.

Our students attended the 'Leadership' workshop, where Janani Muhunthan spoke about her childhood in Zimbabwe and Papua New Guinea. In 2012, Janani was selected to join the Child Rights Task Force in Geneva as their youth reporter at the United Nations Committee. As a key speaker and an ambassador of Multicultural Youth Australia Network (MYAN), Janani also spoke about the importance of raising awareness of the issues faced by Australia's multicultural youth.
